

High-Rise Fire Exercise

Kanawha Putnam Emergency Planning Committee

ACTOR WAIVER FORM

On Saturday, June 6, 2015, the Kanawha Putnam Emergency Planning Committee (KPEPC) will conduct an emergency response exercise. This exercise is designed to test the ability of emergency response agencies to respond to specific emergency situations. This exercise will simulate a high-rise fire. To make the situation realistic, we plan to use approximately 150 volunteers as “victims”. Make-up will be applied to some of the patients and participants will be instructed on how to play their part.

All volunteers need to arrive at the NiSource Building (1700 MacCorkle Ave, Charleston) by 7:00 a.m. wearing old clothes, closed toe shoes, & watch or cell phone to track time. You will be notified of the exact start time prior to the exercise. It is anticipated that the exercise will be completed and the volunteer activity will be done by 1:00 p.m. at the same location. Lunch will be provided to all of the participants.

Past volunteers have found this experience to be fun and educational. The KPEPC will provide documentation of participation if needed. If you would like to be part of this activity, complete the form below. **If you are under the age of 18, your parent or guardian's signature is required.** Return the completed form to Gina.L.Namay@wv.gov. If you have questions, contact Gina Namay by phone at 304.558.0111.
