## ALL HAZARDS MANAGEMENT SYMPOSIUM

(Former Multiple Death Disaster Management Symposium)

April 5<sup>th</sup>, 6<sup>th</sup> & 7<sup>th</sup>, 2011 - Tri-State Fire Academy, Huntington, West Virginia

This program has been designed to meet the needs of all persons and agencies involved with multiple death disaster planning and management. The focus of this program will be learning through the shared experiences of our peers during disaster operations. The interdisciplinary nature of disaster management and planning is reflected in a program which supports cross fertilization and topical in depth discussions among all responsible organizations: coroners/medical examiners, funeral directors, fire - EMS, law enforcement, health care, voluntary and governmental organizations and agencies.
